I agree to adopt the dog with ID number \_\_\_\_\_ on \_\_\_\_\_ (date).

I agree:

- to give this dog proper and adequate food, water, housing, exercise, and humane treatment at all times.
- to give veterinary care when needed, including vaccinations.
- to obey local laws about dogs.
- to keep this animal as a pet only, and not use it for any other purpose.
- not to sell or give away this dog, or train it to fight dogs or attack people.
  
- I understand that animals can carry diseases, some of which can affect people, and that it may not be possible to know if an animal has diseases when it is adopted.
- I understand that dogs can exhibit behaviors like aggression, urinating and defecating in the house, biting, scratching (people and furniture), barking, and digging, and these behaviors may be difficult to control.
- Jangsa Animal Saving Trust is not responsible for any damage, which this dog may cause on any people, my property, or the property of others. I will not try to make JAST responsible for any damage.
- I am able to afford to feed, house, and care for this dog.
